

Pioneer Centre believes in the 'Every Child Matters' campaign and supports the five headings listed below. This has direct correlation with the organisations ethos and mission statement.

Every Child Matters

Be Healthy	Stay Safe	Enjoy & Achieve	Make a positive contribution	Achieve economic well being
<p>Pioneer Centre promotes a healthy lifestyle. Introducing many new, exciting activities that get people exercising without them even realising!!!</p> <p>We encourage healthy eating by providing a balanced menu which includes fresh fruit available all day and a salad bar at both lunch and evening meal. A lot of our food is 'home cooked' too.</p> <p>Many parents and teachers tell us how children have returned home having developed a new liking for healthy vegetables and food they had never tried before!</p>	<p>All the activities have a safety talk at the beginning given by qualified Instructors and throughout their stay the welfare of the young people is paramount.</p> <p>An emphasis is put on the young people to consider, manage and assess risk themselves, creating a lasting and more beneficial impact.</p>	<p>If a child enjoys what they are doing they will remember it and learn from it.</p> <p>Through the exhilarating and fun activities at Pioneer Centre, there are always opportunities to learn, from how to work better as a team to how to perform a new skill and thinking about others.</p> <p>Through setting targets and goals the young people will realise their potential and achieve. This is what Pioneer Centre instructed activities are all about.</p>	<p>A visit to Pioneer Centre is a time for young people to learn independence and develop socially and emotionally.</p> <p>Through the activities and being away from home children's self-confidence will soar, helping to make friendships and strengthen relationships.</p> <p>We will help them develop a sense of belonging and feeling valued and so able to make a positive contribution to their community.</p>	<p>A trip away to Pioneer Centre will contribute and play a massive part in an all round education, so helping to prepare them for the world of work.</p> <p>It can play a big part in motivating young people, making them strive and wanting to learn more.</p>
